

I-10 WIDENING ALLIANCE

ARIZONA'S VITAL COMMERCE & SAFETY CORRIDOR

Sponsor/Donor List

Your investment in this important initiative will dedicate concentrated effort to achieve full funding to expand the narrow, heavily traveled commerce corridor from Chandler to Casa Grande. The 23-mile stretch is the only portion of the I-10 between our two major metropolitan areas that has not been modernized. Your much needed funding will help bring a solution to this problem that continues to stymie Arizona's statewide economic potential. Thank you for your generous support!
